Nordic Championship for Working dogs 2024

Welcome

The Swedish Working Dog Association, together with the Sörmland District, Nynäshamn Working Dog Club, and Botkyrka Working Dog Club, warmly welcome you to the Nordic Championships for Working Dogs and IGP 2024.

The event will take place in the coastal town of Nynäshamn, located about 50 kilometers south of Stockholm. The competition arena is located at Kvarnängens IP, offering ample space for the obedience and protection work and search activities, as well as for our sponsors to showcase their products.

There will be food and refreshments available throughout the weekend, including locally produced organic burgers and sausages, as well as homemade pastries and more. For those who have pre-booked, lunch will be served in the ice rink. See the attached map for details.

Throughout the weekend, there will be demonstrations of various dog sports to create a great atmosphere and entertain the audience. Please note that puppies under 4 months of age are not allowed on the premises. As there is no grandstand, we recommend bringing your own chair to sit on.

On Friday, we will gather for a friendship dinner and draw at Nynäsgården hotel. The gala dinner on Saturday will also take place at Nynäsgården.

We will continuously update our website with practical information about the event. Feel free to visit us at nom2024.com. You can also follow us on Facebook for updates before and during the competition. The results lists will be published continuously here: [Facebook - Nordic Championships for Working Dogs 2024](#). If you have any questions regarding the event, please email us at: ordf@nynasbk.com.

We look forward to seeing you all!

Varma hälsningar/Kind regards
